Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner proposed cancelling claim 30 via an examiner's amendment. The attorney submitted a counter examiner's amendment that would incorporate the limitations of claim 30 into claim 21. Examiner did not accept this counter proposal because the proposed amendment would put claim 21 even closer to the Leonard reference. The examiner left the attorney a phone message on Feb. 16th 2007 stating that he would submit another Office action. .
